Re: JMU Parking Deck

Dear Kenneth,

Congratulations on an outstanding job on the Patterson Street Parking Deck for James Madison University. I know that you have to be very pleased with the high quality work ethic and workmanship your company displayed when working on our new 788 space parking deck. We have all benefited from your organization's expertise and dedication to this project.

Best wishes for happiness and continued success to all of you at Design Electric, Inc.!

Respectfully yours,

Glenn R. Wayland
